### Fun Titles

#### *Animal Crossing: New Horizons*

#### Create Your Own Personal Island Paradise

Take a break and kick back in your very own island getaway. Whether chatting up the charming animal residents, participating in leisurely activities, decorating your island or designing your own home – both inside and out – there's always something to do. Take a walk on the beach, hunt for hidden fossils, customize your island and so much more – it's all up to you! With the wide range of customization options in *Animal Crossing: New Horizons*, everyone's experience is their own. After you arrive on the island, you can design your character, outfit your home and craft new tools to build creature comforts. Time and seasons in *Animal Crossing: New Horizons* pass just as they do in the real world too, so playing at different times of day or as seasons change will offer new things to do like watching shooting stars! With so much to do, you'll want to check up on your island all year long. Live the relaxing island life any way you like, one fun-filled day at a time.

**Suggested Retail Price: \$59.99. (Available Now)**

## Paper Mario: The Origami King

### A New Paper Mario Adventure With Flat-Out Hilarious Hijinks

A comedy-filled Mario game unfolds on Nintendo Switch. Using the unique properties of paper, help Mario explore vast colorful environments in this hilarious action-adventure game. Mario discovers an eerily empty Toad Town after he receives an invitation from Princess Peach to attend this year's origami festival. Even more distressing, it appears Princess Peach herself has been turned into origami by the diabolical King Olly, the power-hungry would-be ruler of the Origami Kingdom!

Now, Mario faces some of his trickiest challenges yet as he disembarks on a thrilling quest to untie the massive streamers binding Princess Peach's Castle to a distant mountain. An inventive new battle system requires strategic thinking as Mario tries to stop the origami menace with a devious plan to re-fold the world. Get ready for an expansive journey filled with visual splendor, boisterous new bosses, puzzles galore and a cavalcade of confetti!

**Suggested Retail Price:** \$59.99 (Available Now)

**ESRB Rating:** E (Everyone) – Mild Cartoon Violence

## Super Mario Maker 2

### Make it Your Way, Play it Your Way

Mario fans of the world, unite! Now you can play, create, and share\* the side-scrolling *Super Mario* courses of your dreams in the *Super Mario Maker 2* game, available exclusively on the Nintendo Switch system. Dive into the single-player Story Mode to play built-in courses to rebuild Princess Peach's castle, and make and play your own courses, alone or together.

Power-up the fun even further with a Nintendo Switch Online membership, which gives you access to Course World and its wealth of online content and functionality. Track your rankings, share your creations and leave comments after you've played courses. With a Nintendo Switch Online membership, you can also tackle the Endless Challenge, save online courses locally for later offline play, enjoy online multiplayer with players both near and far, and customize how you appear to others by dressing your Mii character with fun accessories!
