

Awesome Bloss'ems

Plant a seed and grow your very own doll with Awesome Bloss'ems: the fierce floral collectible dolls! You'll find everything you need to bring your surprise awesome doll to life when you open the decorative flowerpot: an Awesome Bloss'ems seed, sparkle soil and a leaf watering spoon! Each Awesome Bloss'ems doll wears a fabulous detailed outfit with a beautiful blossom on her head that smells sweet, like flowers. Place the colorful seed into the pot and cover it with the sparkle soil. Make a wish and add about five leaf-spoons of water, then watch as your doll starts to sprout from the soil – the flower on her head will hint at which character is blooming! With 26 Awesome Bloss'ems to collect from five different themes, you can collect rares, super rares, or even an ultra-rare doll with a real diamond tiara!
