Place Chase (figure included) in the HQ's command center and press the large badge button to get your mission, activating the Moto HQ's sound effects. When it's time to head out on your mission, load Chase into his exclusive motorcycle (included). Push the vehicle down as you slide it up the ramp, until it locks in place. Press the playset's small badge button to release Chase's motorcycle. It races down the ramp, popping a wheelie while speeding to the rescue. Reset the motorcycle and pull it back up the ramp to launch and pop wheelies again and again!

ROCKY'S REUSE IT TRUCK

Age 3+ / SRP \$25.99

With PAW Patrol's Rocky and his Reuse It Truck, you can recycle materials and turn them into tools to help you save the day. Equipped with rolling wheels and moving arms, Rocky's Reuse It Truck makes it easy to play out your missions. Place Rocky behind the wheel and use your imagination to roll through the streets of Adventure Bay, looking for items to recycle. Slide the dumpster onto the truck's arms and load it up with the metal cubes (two included) and get ready to turn them into something new. Push the lever on the truck down to make the arms lift and watch as the dumpster empties the cubes into Rocky's truck, just like a real recycling truck! Slide the knob on the side of the Reuse It Truck and get a sneak peek at the compactor through the side window. Once the truck is finished recycling, your metal cubes transform into three handy tools that easily clip onto the truck's arms. Use the brush to sweep the streets, pick up trash with the claw and make repairs with the hammer.
